New Pemko Builders Series flat track hardware adds a rustic look to sliding doors

The Pemko Builders Series flat track sliding door hardware is a decorative sliding door system with a rustic look and feel.

Perfect for offices, hotel rooms and multi-family units, the Builders Series flat track sliding door hardware system is available in your choice of two styles of door hangers and two finishes to complement the decor. The system coordinates beautifully with Rockwood AccenTek™ Formed Door Pulls.

The Builders Series flat track door hardware system is conveniently packaged in kits containing 2 hangers, 2 anti-rise discs, 2 stops, 1 bottom guide, track and mounting hardware. Select from 6' or 8' track lengths; custom lengths available.

The Pemko Builders Series flat track hardware system is now in stock and ready for shipment.
